ASA School 2021 follows on the success of four previous ASA Schools starting in 2012, and will provide opportunities for meeting faculty and fellow students, mentoring, discussing research topics, and developing collaborations and professional relationships within acoustics.

### Program and Costs

ASA School 2021 will take place at Cedarbrook Lodge in Seattle, WA, a scenic resort 30 minutes from downtown Seattle. Lectures and demonstrations followed by discussions will be given by distinguished acousticians in a two-day program covering topics in *architectural acoustics, animal bioacoustics, biomedical acoustics, engineering acoustics, musical acoustics, noise, psychological and physiological acoustics, and speech communication*.
